This wine-tasting fundraiser will be held in the support

Living Life on Two Wheels Inc.

Proceeds will support bicycle programs and infrastructure in Jefferson County. Featuring wines by Tavolo Vigneto and food pairings by The Culinary Creed.

This is an exciting opportunity for you and your team to contribute to a project that will significantly expand opportunities for outdoor activities. By providing more access to walking, biking, hiking, running, or simply enjoying nature, we can help address the growing challenges of mental, physical, and social well-being.

Together, we can make a lasting impact on families and communities.

Getting kids outdoors is essential. Riding a bicycle teaches children perseverance and resilience, as they learn to fall and get back up on their own.
